

A grayscale photograph of a globe being held by several hands from different directions. The globe is the central focus, showing a map of the world. A small, bright orange map of the United States is overlaid on the globe's surface, positioned over North America. The hands are rendered in shades of gray, creating a sense of global unity and support. The background is a soft, out-of-focus light gray.

WeldEye is a solution to manage
welding, quality control and documentation

General requirements in your project

- ✓ Personnel and qualifications
- ✓ Welding procedures
- ✓ Projects and requirements
- ✓ Welding management
- ✓ Documentation
- ✓ Monitoring and compliance reporting
- ✓ Statistics

ISO 3834-2

ASME IX

AWS

CE

IEC / EN 60974-3

EN 1090-2

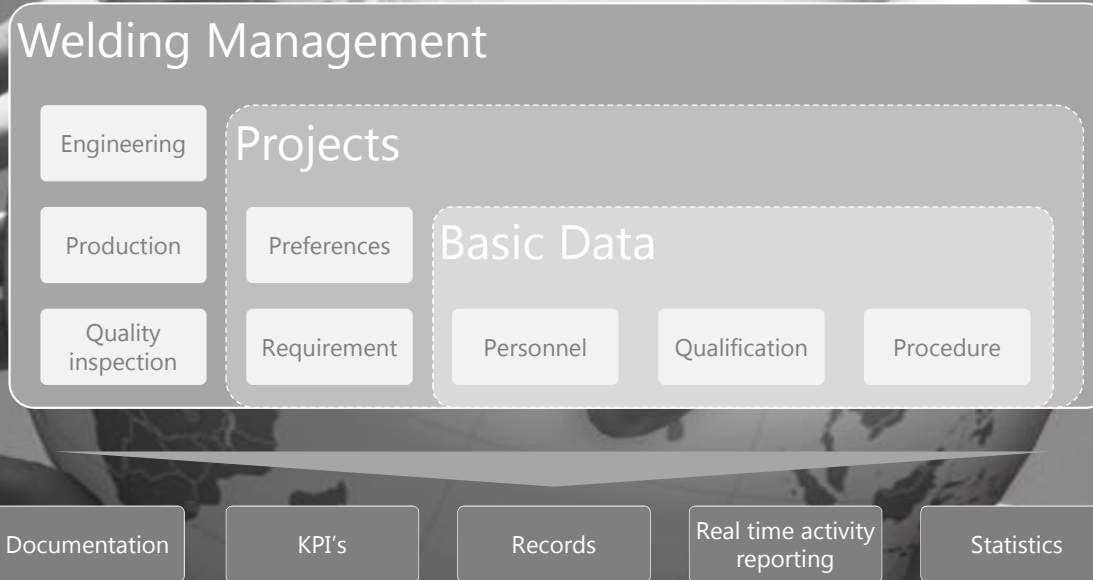

CISPR 11: Class A

AS/NZS 1554.1

Welding Management Framework

Requirements for manufacturer

- Rules & Principles
- Regulations
- Customers & Expectations
- Production structure
- Technologies & Standards

Records from welding management processes

- Knowledge & Control
- Traceability & Compliancy
- Harmonization
- Cost optimization
- Process optimization

Value drivers in management
